Expected to Resign on Account Feebleness — Gained Strength and Twenty-four Pounds by Taking Vinol.

Corinth, Miss: — "I am a city tax collector and seventy-four years of age. I was in a weak, run-down condition so that I became exhausted by every little exertion. My druggist told me about Vinol, and I decided to take it. In a week I noticed considerable improvement; I continued its use and now I have gained twenty pounds in weight, and feel much stronger. I consider Vinol a fine tonic to create strength for old people."—J. A. PRICE, Corinth, Miss.

As one grows old their organs act more slowly and less effectually than in youth, circulation is poor, the blood gets thin, the appetite poor and diges-tion weak. Vinol, our delicious cod liver and iron tonic, is the ideal strengthener and body builder for old folks because it creates a good healthy appetite, strengthens digestion, enriches the blood, improves circulation and in this natural manner builds up, strengthens and invigorates feeble, run-down, nervous and aged people, and if it does not do all we say, we will pay back your
